DICE GUIDELINES

- Applications for DICE funding are due no later than **three weeks** prior to the scheduled date of the event.
- The coordinators of the event will be required to meet with Peggy Hnatusko, Director, prior to approval of funds.
- This application does not guarantee the group will receive DICE funding. The more information that you are able to include in the application and any supporting materials you are able to provide (creative ideas, advertising materials, etc.) will assist the Student Activities Office in the decision making process.
- Worksheet B: Budget Analysis-This worksheet is for you to plan out your budget for the event. The white section is for the amount of money that you are requesting from DICE to go toward the particular event; the shaded area is the amount of money your group has in its account to go toward the items. Please include notes about what the expense is for as this will also help in the decision making process.

Event must:

- Be open to the entire Notre Dame Campus.
- Take place on the Notre Dame campus.
- Take place on a Thursday, Friday, or Saturday night between the hours of **9:00 pm - 2:00 am**.
- Be publicly announced and advertised. All publicity must include the Student Activities Office logo and be approved by the Student Activities Office.
- Be staffed by student group volunteers.
- Be within the scope of the sponsoring group's mission.
- Not require admission fee or donation for the event.
- Not be a fund raiser for the sponsoring group.
- Utilize funding only for expenses that add value to the participants' experience (i.e. refreshments, better performers).
